Friends of the Waldwick Public Library

Friends of the Waldwick Library is an independent organization of volunteers who work to support library programs and services that are beyond the reach of the library's annual operating budget.

Recent initiatives of the Friends include the following:

- Purchase of a new bottle filling station and drinking fountain for public use.
- Funding for all special events during the Summer Reading Program.
- Purchase of a new Cricut Machine to enhance program offerings for adults & children.
- Widely popular Trivia Night in October

Thanks to their efforts, library patrons of all ages benefit from the Friends' generosity.

The Big Question: If I Join the Friends do I have to come to meetings?

Many people are confused about what it means to be a Friend of the library.

If you love the library but don't have time to participate in meetings, you can become a supporting member of the Friends for \$25. A financial contribution does not obligate you to attend meetings. Your contribution will help to pay for all of the great programs mentioned in this brochure.

Or, you can choose to be an active member of the Friends. Active members attend meetings and have a say in how finances are utilized. Active members donate time to put together mailings or volunteer as chaperones for various activities and attend workshops organized by BCCLS. Some active members don't attend meetings but participate only when extra hands are needed.

The choice is yours. Friends welcome all members.
